

# Aquadex® Reimbursement Services

*Provided by MCRA Reimbursement*

## Patient Access Program

The Patient Access Program is designed to increase patient access to Aquadex ultrafiltration technology. It is offered to Aquadex customers at no cost. MCRA Reimbursement experts will work directly with your staff to:

- Expedite insurance coverage and appeals
- Manage all stages of pre-authorization and appeal of denied claims
- Exhaust all appeal options

## Coding and Reimbursement Hotline

- General coding and reimbursement questions
- 99% of coding inquiries are handled on the first call
- Ensures HIPAA and medical reimbursement compliance
- Available Monday through Friday from 8:30am to 7:00 pm Eastern

## Comprehensive Coverage Access Support

- Credentialed coders respond to all inquiries to limit unnecessary denials
- Prepare and submit patient specific benefits verifications, pre-authorizations and appeals
- Incorporates payer guideline changes
- Available Monday through Friday from 8:30am to 5:00 pm Eastern

# Patient Access Program Services

*Provided by MCRA Reimbursement*

## **Benefits Verification – (1-2 days)**

### ***All payers***

- Verify availability of benefits upon receipt of the patient information including demographics, insurance information, and procedure codes

## **Pre-Authorization Assistance – (1-15 days)**

### ***All commercial payers & Medicare Advantage Plans (Note: Medicare does not pre-authorize procedures)***

- Draft pre-authorization request letters
- Submit pre-authorization request to health plan
- Provide frequent status updates

## **Peer to Peer or Subspecialty Review – (1– 3 days)**

### ***All commercial payers & Medicare Advantage Plans***

- Facilitate discussion of medical necessity with a Medical Director at the health plan

## **Internal Appeals 1 or 2 Levels – (3–30 days)**

### ***All commercial payers & Medicare Advantage Plans***

- Draft appeal letters
- Submit appeal to health plan
  - Opportunity to request a Medical Director that did not review the pre-authorization request
- Provide frequent status updates

## **External & Post Claim Denial Appeal (PCDA) – (5–60 days)**

### ***All commercial payers & Medicare Advantage Plans***

- Following all internal appeal denials, the patient should pursue an external appeal with the appropriate State Department of Insurance
- MCRA supports patient appeals through the Patient Advocacy Department

---

## **Privacy and Compliance**

- A Business Associate Agreement (BAA) is established directly with MCRA, no Protected Health Information (PHI) is shared with CHF Solutions
- Case managers provide appropriate identification when interacting with insurers
- There are no assurances of pre-authorization or successful appeal of denied claims
- Only available for on-label use which follows the Aquadex® FDA cleared indication for use for ultrafiltration in patients whose fluid overload is unresponsive to medical management, including diuretics
